Objective

Seeking a position with a progressive organization that will help expand and utilize my multimedia capabilities.

Work Experience

Current: University Photographer | Johnson & Wales University

Brown University | Media Relations Dept.

May '10 - Dec. '15 | Multimedia Prod. / Photographer

Duties: Record interviews, create b-roll packages and still photographs for local, national and international news media including National Geographic, The New York Times, The Wall Street Journal, PBS Newshour and The Associated Press. Produce, shoot and edit videos and still photography on deadline for University press releases and news features. Brainstorm and create content specifically for social media. Assist visiting news media in location scouting and logistics. Create still photographs for University publications relating to alumni relations, advancement and medical education.

Brigham & Women's Hospital

Sept. '08 - May '10 | Multimedia Coordinator

Duties: Produced and shot hospital-related documentaries, audio slideshows and still photographs. Maintained the hospital intranet, including daily updates of news content, and managed the digital signage system for the hospital and satellite campuses.

Community Newspaper Company (GateHouse Media)

July '07 - Aug. '08 | Staff Multimedia Photojournalist

Duties: Photographed daily news, sports, features and portrait assignments while covering 15 communities. Produced multiple video and audio slideshow projects weekly.
